

SATURDAY, AUGUST 10, 1935  
 The morning was a beautiful one, and the  
 sun was shining brightly. The wind was  
 light and fresh, and the water was  
 calm. We went for a walk on the  
 beach, and saw many beautiful shells.  
 The children were very happy, and  
 played for hours. We also saw many  
 birds, and a few small fish. The  
 day was very pleasant, and we  
 enjoyed it very much.

A circular professional engineer seal for Robert S. Gruning, Jr., No. 8977, State of California, Civil. The seal is circular with a double-line border.
