This map conforms with the requirements of the Subdivision Map Act and local ordinance.

Pursuant to Section 66441.1 of the Government Code, the following Department Conditions shall be met prior to the Issuance of Building and/or Improvement Permits.

PUBLIC WORKS (ROAD DIVISION)

2. Drainage waters shall be handled in a manner satisfactory to the Flood Control Engineer and the Director of Public Works. This will include modification and extension of the culvert at the southeast corner of the development.

PLANNING COMMISSION

All new residential structures shall be served by underground utilities and if any agreement is necessary to assure such service, it shall be worded to the satisfaction of County Counsel prior to recordation. Undergrounding shall be from the main line.

This map was prepared by me or under my direction and is based upon a field survey in conformance with the requirements of the Subdivision Map Act as requested by Richard T. Miller in April 1983. I hereby state that this partial map substantially conforms to the approved or conditionally approved tentative map, if any. All monuments are of the character and occupy the positions indicated. Said monuments are sufficient to enable the survey to be retraced.
