Surveyor's Note

This map correctly portrays the position of Parcel "B" of P.M. No. 11695. However, P.M. No. 11695 is a division of a portion of P.M. 11463 and there is an alternative location to this entire map as indicated at the West line of said Parcel "B" as shown hereon. I chose to ignore this discrepancy, due to the length of time that these parcel maps have been in existence and the fact that there appears to be no encroachment on said West line.
